

Title: Seminar at European University of Bangladesh Equips Students for Academic and Career Success

The Department of Electrical and Electronic Engineering (EEE) at the European University of Bangladesh (EUB) recently hosted a seminar aimed at empowering students with essential skills for thesis writing, career planning, and pursuing higher studies. Titled "**Thesis Writing, Career Planning, and Higher Studies**" the event convened on Friday, May 10, 2024, attracting a robust turnout of over 200 participants, including 26 esteemed faculty members of EEE, at the Auditorium, EUB.

Under the distinguished leadership of **Prof. Dr. Engr. Md. Hazrat Ali**, the honorable chairman of the Dept. of EEE, the seminar featured notable keynote speakers who shared their extensive professional insights. Among them were **Md. Asaduzzaman Sarker**, Senior Lecturer & Faculty Coordinator, Dept. of EEE; **Reaz Uddin Bhuiyan**, Lecturer, Dept. of EEE; and **Mahmud Hasan**, Assistant Accountant General, BCS Audit & Accounts, Ministry of Finance, Finance Division. These speakers brought a wealth of experience to the discussion, engaging the audience with enthusiasm and expertise.

The seminar welcomed esteemed guests, including **Md. Eunusur Rahman**, Registrar, EUB; **Prof. Dr. Farzana Alam**, Chairman, Business Administration; **Prof. Dr. Engr. Abul Kalam Azad**, Chairman, Dept. of Civil Engineering; **Dr. Abu Taher**, Chairman, Dept. of IPE; and **Md. Emdadul Haque**, Director, Program Coordination Unit. Their guidance and direction aimed to illuminate the path for participants towards a brighter future.

Throughout the event, students received invaluable insights into various aspects of academic and professional growth. Mr. Sarker delved into the intricacies of scientific thesis writing, drawing from his own experiences and accomplishments. Mr. Bhuiyan provided a comprehensive overview of the process of pursuing higher studies abroad, while Mr. Hasan emphasized the significance of setting clear career goals and strategies to achieve them. Collectively, the speakers offered guidance on navigating the complexities of the job market, building successful careers, and remaining competitive in today's dynamic professional landscape.

The seminar culminated with the honorable guests presenting certificates to the speakers, acknowledging their contributions to the event. Overall, the seminar served as a pivotal platform for engineering students to gain critical insights and skills essential for academic and career success.

Chitra Roy, Assistant Professor, Department of Electrical and Electronic Engineering

Rubab Ahmmad, Assistant Professor & Faculty Coordinator, Department of Electrical and Electronic Engineering

Md. Emdadul Haque, Director, Program Coordination Unit

Dr. Abu Taher, Chairman, Dept. of IPE

Prof. Dr. Engr. Abul Kalam Azad, Chairman, Dept. of Civil Engineering

Prof. Dr. Farzana Alam, Chairman, Business Administration

Prof. Dr. Engr. Md. Hazrat Ali, Chairman, Dept. of EEE

Md. Eunosur Rahman, Registrar, EUB

Md. Asaduzzaman Sarker, Senior Lecturer & Faculty Coordinator, Dept. of EEE

Reaz Uddin Bhuiyan, Lecturer, Dept. of EEE

Mahmud Hasan, Assistant Accountant General, BCS Audit & Accounts, Ministry of Finance, Finance Division
